

jakob k. - your great imagination

grape

(music: jakob künzel / lyrics: dominique alioth)

when i was a child
lying in bed at night
i could always hide
hide in a world of dreams

see me running wild
each and every night
i invented all my life
i was happy that I lied

i'm a complicated soldier
i don't do what I'm told
i'm exiled and I'm wanted
my friends out in the cold

i like walking in the park
staying young at heart
talk to the trees and remember
nobody needs to take my part

nothing is as good and great
as a grape
